**PROCEDURE IF NO ELECTION**
If there is no election due to insufficient or no nominees, the Registrar of Voters shall inform the Governor, who shall appoint a qualified person who shall take office and serve exactly as if elected.

Reference: California Water Code – American River Flood Control District Act 320 §§3-6 (EC §§10500-10556; excluding EC §10554)
There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously if the offices have overlapping and conflicting public duties. The courts have defined this doctrine as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. However, instances of holding more than one office are considered incompatible.

The State of California Attorney General’s Office has issued many opinions on particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. high school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. water district director and a city council member;
5. water district director and a school district trustee having territory in common; and
6. sheriff and county supervisor.

Elections Code §10603(c) states that no person shall file nomination papers for more than one school district office, including a county board of education office, at the same election. Elections Code §8003(b) states no person may file nomination papers for a party nomination and an independent nomination for the same office, or for more than one office at the same election.

In addition, the Declaration of Candidacy for statewide offices signed by the candidate under penalty of perjury declares: “I meet the statutory and constitutional (if any) qualifications for this office (including but not limited to citizenship, residency, and party affiliation, if required). If nominated/elected I will accept the nomination/office and not withdraw.” EC §8040

The Declaration of Candidacy for nonpartisan offices signed by the candidate under penalty of perjury declares: “If elected, I will qualify and accept the office of _______ and serve to the best of my ability.” EC §10511.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 445-9555 or visit their website, www.caag.state.ca.us. For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission’s website at www.fppc.ca.gov, or phone toll free 1-866-275-3772.

Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. (4) It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."

(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

(b) The term "incumbent" must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjectives or modifiers, and must stand alone. A candidate qualified to use this designation pursuant to Elections Code Section 13107, subdivision (a)(2), shall be entitled to use the ballot designation "Incumbent."

(c) The word "incumbent" is strictly limited for use in ballot designations submitted pursuant to Elections Code Section 13107, subdivision (a)(2), and may not be used as an adjective in any other ballot designation.

HISTORY

1.New section filed 1-14-98; operative 1-14-98 pursuant to Government Code section 11343.4(d) (Register 98, No. 3).

Proposed ballot designations submitted pursuant to Elections Code Section 13107, subdivision (a)(3), shall be subject to the following provisions:

(a) The terms "profession," "vocation," or "occupation," as those terms are used in Elections Code Section 13107, subdivision (a)(3), are defined as follows:

(1) "Profession" means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accountancy, and journalism. Examples of an acceptable designation of a "profession," as defined in Elections Code Section 13107, subdivision (a)(3), include, but are not limited to, "attorney," "physician," "accountant," "architect," and "teacher."

(2) "Vocation" means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, home making, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a "vocation," as defined in Elections Code Section 13107, subdivision (a)(3), include, but are not limited to, "minister," "priest," "mother," "father," "homemaker," "dependent care provider," "carpenter," "plumber," "electrician," and "cabinetmaker."

(3) "Occupation" means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an "occupation," as defined in Elections Code Section 13107, subdivision (a)(3), include, but are not limited to, "rancher," "restaurateur," "retail salesperson," "manual laborer," "construction worker," "computer manufacturing executive," "military pilot," "secretary," and "police officer."
(b) "Principal," as that term is used in Elections Code Section 13107, subdivision (a)(3), means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term "principal" precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

(1) If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her "principal" professions, vocations or occupations if (i) the candidate has maintained his or her license current as of the date he or she filed his or nomination documents by complying with all applicable requirements of the respective licensure, including the payment of all applicable license fees and (ii) the status of the candidate's license is active at the time he or she filed his or nomination documents.

(2) A candidate who holds a professional, vocational or occupational license issued by the State of California may not claim such profession, vocation or occupation as one of his or her "principal" professions, vocations or occupations if (i) the candidate's licensure status is "inactive" at the time the candidate files his or her nomination document, or (ii) the candidate's license has been suspended or revoked by the agency issuing the license at the time the candidate files his or her nomination documents.

(c) In order for a ballot designation submitted pursuant to Elections Code Section 13107, subdivision (a)(3), to be deemed acceptable by the Secretary of State, it must accurately state the candidate's principal professions, vocations or occupations, as those terms are defined in subdivisions (a) and (b) herein. Each proposed principal profession, vocation or occupation submitted by the candidate must be factually accurate, descriptive of the candidate's principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with Elections Code Section 13107 and the regulations in this Chapter.

(d) If the candidate is engaged in a profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate's proposed ballot designation is entitled to consist of the candidate's current principal professions, vocations and occupations. In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of his or her principal professions, vocations or occupations, which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

(e) A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot designation must comply with the following provisions:

(1) The proposed ballot designation must comply with the three-word limitation specified in Elections Code Section 13107, subdivision (a)(3), and as implemented pursuant to subdivision (f) herein.

(2) Each such proposed profession, vocation or occupation shall be separately considered by the Secretary of State and must independently qualify as a "principal" profession, vocation or occupation, as that term is defined pursuant to subdivision (b) herein.
(3) When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash ("/"). An example of an acceptable designation would be "Legislator/Rancher/Physician."

(f) Pursuant to Elections Code Section 13107, subdivision (a)(3), the candidate's ballot designation shall be limited to not more than three (3) words. The following rules shall govern the application of the three-word limitation:

1. The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

2. Punctuation shall be limited to the use of a comma (e.g., District Attorney, Los Angeles County) and a slash (e.g., Legislator/Rancher/Physician), pursuant to subdivision (e) of this section. A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language, which was published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted.

3. All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not "geographical names," as that term is used in Elections Code Section 13107, subdivision (a)(3). If the candidate desires, the geographical name may be used in the form of "City of . . .," "County of . . .," or "City and County of . . ." Examples of geographical names considered to be one word include Tehama County, Los Angeles County and County of Sacramento. Examples of designations containing a special district or political subdivision that are not geographical names include "Butte County Rural Fire District Captain," "Huntington Beach Unified School District President," and "South Bay Irrigation District Director."

4. An acronym shall be counted as one word.

(g) A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so pursuant to Elections Code section 13107(a)(3), but that ballot designation shall be limited to no more than three words. Examples of acceptable designations under this section include "State Senator/Rancher," "California Assemblywoman/Attorney," "County Supervisor/Teacher," and "State Controller/Businessman." Examples of unacceptable designations under this section include "Assemblyman, 57th District/Educator," "California State Senator/Architect," "Placer County Supervisor/Business Owner," and "Member, Board of Equalization/Banker."

20716. Unacceptable Ballot Designations.

(a) The Secretary of State shall reject as unacceptable any proposed ballot designation which fails to comply with Elections Code Section 13107, subdivision (a); is prohibited pursuant to Elections Code Section 13107, subdivision (b); is misleading; or is otherwise improper pursuant to the regulations set forth in this Chapter.

(b) The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations pursuant to Elections Code Section 13107, subdivision (a)(3):

(1) *Avocations:* An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work (except as set forth in Section 20714.5 of this Chapter), and matters pursued as an amateur.

(2) *Pro Forma Professions, Vocations and Occupations:* Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated, except as set forth in Section 20714.5 of this Chapter. Pro forma professions, vocations and occupations may include, but are not limited to, such pursuits as honorary peace officer, honorary chairperson, honorary professor, goodwill ambassador, official host or hostess and the like.

(3) *Statuses:* A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status is generic in nature and generally fails to identify with any particular specificity the manner by which the candidate earns his or her livelihood or spends the substantial majority of his or her time. Examples of a status include, but are not limited to, veteran, proponent, reformer, scholar, founder, philosopher, philanthropist, activist, patriot, taxpayer, concerned citizen, husband, wife, and the like.

(c) Pursuant to Elections Code Section 13107, subdivision (b)(1), the Secretary of State shall reject as unacceptable any proposed ballot designation which would mislead voters. In making this determination, the Secretary of State shall determine whether there is a substantial likelihood that a reasonably prudent voter would be misled as to the candidate's principal profession, vocation or occupation by the candidate's proposed ballot designation. The determination shall take into account the plain meaning of the words constituting the proposed ballot designation and the factual accuracy of the proposed ballot designation based upon supporting documents or other evidence submitted by the candidate in support of the proposed ballot designation, pursuant to Section 20711 and 20717 of this Chapter.

(d) A ballot designation may not comprise or include commercial identification information, such as a trademark, service mark, tradename, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to, "Acme Company President," "Universal Widget Inventor," "Director, Smith Foundation," "UCLA Professor," and the like.

(e) Pursuant to Elections Code Section 13107, subdivision (b)(2), the Secretary of State shall reject as unacceptable any proposed ballot designation which would suggest an evaluation of the candidate's qualifications, honesty, integrity, leadership abilities or character. Any laudatory or derogatory adjectives...

(f) Pursuant to Elections Code Section 13107, subdivision (b)(3), the Secretary of State shall reject as unacceptable any proposed ballot designation which abbreviates the word "retired" or places it following any word or words which it modifies. Examples of impermissible designations include "Ret. Army General," "Major USAF, Retired" and "City Attorney, Retired."

(g) Pursuant to Elections Code Section 13107, subdivision (b)(4), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or prefix to indicate a prior profession, vocation, occupation or elected, appointed or judicial office previously held by the candidate. Such impermissible words or prefixes include, but are not limited to, "Ex-," "former," "past," and "erstwhile." Examples of impermissible designations include "Former Congressman," "Ex-Senator," and "Former Educator."

(h) Subject to the provisions of Elections Code Section 13107, subdivision (b)(4), use of the word "retired" in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

(2) In evaluating a proposed ballot designation including the word "retired," the Secretary of State will consider the following factors in making a determination as to the propriety of the use of the term "retired":

(A) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;

(B) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;

(C) The candidate has reached at least the age of 55 years;

(D) The candidate voluntarily left his or her last professional, vocational or occupational position; and,

(E) The candidate's retirement benefits are providing him or her with a principal source of income.

(3) If a candidate is requesting a ballot designation that he or she is a retired public official, the candidate must have previously voluntarily retired from public office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office. If such a candidate did not voluntarily retire from public office, he or she may not use the word "retired" in his or her ballot designation.

(4) A candidate may not use the word "retired" in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.
(i) Pursuant to Elections Code Section 13107, subdivision (b)(5), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses the name of any political party, whether or not it has qualified for recognized ballot status.

(j) Pursuant to Elections Code Section 13107, subdivision (b)(6), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or words referring to a racial, religious, or ethnic group.

(1) The Secretary of State shall reject as unacceptable any ballot designation which expressly contains or implies any ethnic or racial slurs or ethnically or racially derogatory language.

(2) If the candidate is a member of the clergy, the candidate may not make reference to his or her specific denomination. However, the candidate may use his or her clerical title as a ballot designation (e.g., "Rabbi," "Pastor," "Minister," "Priest," "Bishop," "Deacon," "Monk," "Nun," "Imam," etc.)

(k) Pursuant to Elections Code Section 13107, subdivision (b)(7), the Secretary of State shall reject as unacceptable any proposed ballot designation which refers to any activity prohibited by law. Unlawful activity includes any activities, conduct, professions, vocations, or occupations prohibited by state or federal law.

(a) Time is of the essence regarding all matters pertaining to the review of proposed ballot designations submitted by candidates for public office. Failure to promptly submit requested supporting materials will preclude consideration of such materials in and the rendering of a final decision on the candidate's proposed ballot designation.

(b) The Secretary of State will communicate, whenever possible, with the candidate in the most expeditious manner, including, but not limited to, telephone, facsimile transmission and electronic mail at the number or address provided by the candidate. When the candidate does not have reasonable access to a facsimile machine or electronic mail, the Secretary of State will transmit written communication to the candidate by means of overnight express delivery to the address provided by the candidate.

PLACEMENT OF NAMES ON THE BALLOT

A randomized alphabet drawing for the General Election will be conducted by the Secretary of State’s office on (E-82) August 14, 2014, at 11:00 a.m. Elections Code §13111(i), further requires that the Registrar of Voters conduct an additional randomized alphabet drawing for State Senate and State Assembly offices when the district includes more than one county. In addition to the randomized alphabet, Elections Code §13111 provides for the rotation of the names of candidates for many offices by State Assembly district, and for other offices by Supervisorial district. The names of candidates for other offices are not rotated, but placed on the ballot on the basis of the randomized alphabet.

Rotation for Judge of the Superior Court and for countywide offices shall be by Assembly district, commencing with the Assembly district which has the lowest number. (EC §13111)
CANDIDATE’S STATEMENT

Each candidate for nonpartisan elective office and certain party nominated offices (Prop. 34) may prepare an optional candidate’s statement at their own expense. The candidate’s statement is designed to acquaint voters with a candidate’s qualifications for the office he or she is seeking. The candidate’s statement is incorporated into the Sample Ballot Booklet, and will be mailed to all registered voters eligible to vote for that particular candidate. The candidate statements are printed in English, Spanish, and Chinese.

Alert to Candidate: Some common English phrases do not have the same meaning when translated into Spanish or Chinese.

If a candidate is running for an office where the district extends into another county and wishes to have their candidate statement printed in that county, it is their responsibility to coordinate with that county for payment and publication of their candidate statement.

Time Period for Filing: The filing period for candidacy is July 14, 2014 through August 8, 2014. ALL PAPERWORK (NOMINATION PAPERS) MUST BE FILED AT ONE TIME. THE CANDIDATE’S STATEMENT MUST BE FILED WITH THE DECLARATION OF CANDIDACY.

Where: Sacramento County Voter Registration and Elections 7000 65th Street, Suite A Sacramento, CA 95823

Candidates for city offices file all documents, including the candidate’s statement, with the appropriate City Clerk.

Restrictions: Candidate statements are not to refer to opponents in any manner. If a candidate does make reference to anything other than his or her own qualifications, he or she could be subject to legal action. (See John F. Dean v Superior Court of Orange County, Court of Appeals, Fourth District, Division 3, California No. G023111)

Withdrawal: The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next business day after the close of the nomination period. Any request for withdrawal of a candidate’s statement must be in writing and signed by the candidate. A new statement cannot be filed to replace a withdrawn statement.

Permission: If you use someone else’s name in your statement, you must file with your statement, a letter from them stating that they are giving you permission to use their name in this manner. Letters must be signed and dated.

Endorsements: If your statement contains endorsements, you must file the written authorization letter(s) from the person(s) or organization(s) giving you the endorsement at the time you file your statement. Letters must be signed and dated.
CANDIDATE’S STATEMENT (continued)

Confidentiality of Statements: Notwithstanding any other provisions of law, candidates’ statements filed pursuant to Elections Code §13307 shall remain confidential until the close of the nomination period for the office sought. (EC §13311)

Public Examination: After the close of the nomination period, anyone may examine and purchase copies of any candidate’s statement. During a 10-calendar-day period commencing the day after the close of the nomination period, any voter of the jurisdiction in which the election is being held or the county elections official may seek a writ of mandate or an injunction requiring any or all of the material in a candidate’s statement to be amended or deleted (EC §§13313-13314)

Cost: Because of the many unknown factors involved in printing, handling, mailing and the number of candidates’ filing statements, it is difficult to determine, prior to the election, the exact cost to each candidate who avails themselves of this service. The cost estimates provided are based upon historical data and a projection of statistics available approximately 6 months prior to the election. Sacramento County has a minimum $53.00 service fee for any checks returned.

Challenge of Contents

Candidates’ statements are available for viewing after the deadline for filing has passed. There is then a 10-calendar-day public examination period whereby the documents may be reviewed and copies purchased.

Also, during this 10-calendar-day public examination period, any voter of the affected jurisdiction or the county elections official, may take legal action to challenge the contents of any candidate’s statement pursuant to Elections Code §13313(b).

Elections Code §18351 provides that any candidate for a local nonpartisan office in an election who prepares a candidate’s statement and knowingly makes a false statement of a material fact with the intent to mislead the voters is punishable by a fine not to exceed $1,000.

Nonpartisan Runoff Candidates’ Statements – November 4, 2014 General Election
(Applicable to runoff candidates for Member, Board of Supervisors, countywide offices and Judge of the Superior Court.)

After certification of the June 3, 2014 Primary Election results, any nonpartisan runoff candidates required to appear on the November ballot will have been notified in writing and provided with a cost estimate for a candidate’s statement for the November General Election.

Those candidates who will appear on the ballot in a runoff election on November 4, 2014 may:

1. Utilize the same candidate’s statement as was printed for the June Primary Election; or
2. Submit a new candidate’s statement for inclusion in the November 4, 2014 Sample Official Ballot Pamphlet; or
3. Not utilize any statement for the runoff election.

Any such statement is required to be filed with the Registrar of Voters not later than 5:00 p.m. on August 8, 2014. Advance payment for estimated costs for inclusion of the candidate’s statement in the November 4, 2014 Sample Ballot Booklet will also be required by 5:00 p.m. on August 8, 2014 whether or not you are utilizing the same candidate’s statement or filing a new candidate’s statement.

The Elections Code specifies that candidates for nonpartisan elective office in any local agency, including any city, county, city and county or district, may prepare and submit (on a form provided by the Registrar of Voters) an optional candidate’s statement to be included in the Sample Ballot Booklet.

The estimates quoted below are based on a 200 word statement, (unless otherwise indicated). Costs may vary depending upon the number of ballot types in the district, the number of pages in the various sample ballots, and the number of registered voters who will be receiving the various ballot types. The actual costs may vary significantly from the estimated costs because of these variables. The candidate statements are printed in English, Spanish, and Chinese.

Sacramento County imposes a $53.00 service fee on checks returned by the bank as non-payable. Also, non-payable instruments cancel any official action or filing, and the non-payable instrument may be considered a lien.

**When prepayment is required at the district office for a candidate statement, the candidate shall bring their receipt at the time of filing their statement. The receipt will be photocopied and returned to the candidate.**

It is the responsibility of the candidate prior to filing for more than one district office at the same election to contact the legal counsel of said districts for any conflict of interests.

**Provision in Law for Indigent Candidates – Waiver of Advance Payment**

When advance payment is required for an optional candidate’s statement but the candidate alleges to be indigent and unable to pay in advance the requisite estimated costs, the candidate shall submit to the Registrar of Voters a statement of financial worth to be used in determining whether or not he or she is eligible to submit a candidate’s statement without advance payment. The statement of financial worth shall be submitted by the candidate together with his or her candidate’s statement at the same time nomination papers are filed.

“Statement of Financial Worth” forms are available at Voter Registration and Elections office and will be furnished upon request. Necessary data requested includes candidate’s employer, income, real estate holdings, tangible personal property and financial obligations. The candidate is to certify the contents of the statement as to its truth and correctness under penalty of perjury. The candidate shall also agree to release his or her most recent income tax return.

If it is determined that the candidate is not indigent, the candidate shall, within three days of notification, pay the requisite estimated cost or be required to withdraw the candidate’s statement. The Registrar of Voters is not obligated to print and mail the statement if payment is not received. If the candidate is found to be indigent, the Registrar of Voters shall print and mail the statement without advance payment.

Notwithstanding the above, the candidate will be billed and expected to pay the cost of the candidate’s statement after the election. As with all other nomination documents, the “Statement of Financial Worth” is a public record and is available for review.

CODE OF FAIR CAMPAIGN PRACTICES

In 1982 legislation was passed which established a “Code of Fair Campaign Practices” in California that could be voluntarily subscribed to be candidate for public office.

Amendments in 1987 expanded the provisions of the Code to apply to communications by committees formed primarily to support or oppose a ballot measure, and also reaffirmed civil liability provisions pertaining to libel and slander in campaign advertising and communications.

The Registrar of Voters is required to provide the candidate a blank form on which to subscribe to the Code of Fair Campaign Practices and a copy of the Elections Code provisions at the time a declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office are issued.

Subscription to the Code is voluntary. Completed forms are to be filed with the Registrar of Voters, and shall be retained for public inspection until 30 days after the election.

The provisions of the Code and a sample copy of the form are provided for your information. (EC §§20400, 20420, 20440-20444)
Chapter 5. Fair Campaign Practices

Article 1. General Intent

20400. Intent of Legislature. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters. The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions¹

Article 3. Code of Fair Campaign Practices

20440. Subscription to code; form. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. Supply of forms. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. Retention of forms; public inspection. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. Public record. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. Voluntary. In no event shall a candidate for public office be required to subscribe to or endorse the code.

304. Definition of “campaign advertising” or “communication”. “Campaign advertising or communication” means a communication authorized by a candidate or a candidate’s controlled committee, as defined in Section 82016 of the Government Code, or by a committee making independent expenditures, as defined in Section 82031 of the Government Code, or by a committee formed primarily to support or oppose a ballot measure, as defined in Section 82047.5 of the Government Code, for the purpose of advocating the election or defeat of a qualified candidate or ballot measure through any broadcasting station, newspaper, magazine, outdoor advertising facility, direct mailing, or any other type of general, public, political advertising.

305. “Candidate” definition. “Candidate for public office,” means an individual who has qualified to have his or her name listed on the ballot of any election, or who has qualified to have written votes on his or her behalf counted by election officials, for nomination for, or election to, any state, regional, county, municipal, or district office which is filled at an election. The provisions of this chapter do not apply to candidates for federal office.
There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.

(2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.

(3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate’s actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

(4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.

(5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.

(6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

Although many candidates for local office may feel the data is not applicable to them, the Registrar of Voters is required to provide the information to all candidates for public office.

The Political Reform Act of 1974, as amended, requires all candidates for elective office, all elected officeholders, and all committees supporting or opposing candidates, measures, and petition circulation drives to file campaign disclosure statements disclosing contributions received and expenditures made.

All candidates will receive a CD containing Campaign Disclosure Information. Included in this packet will be the FPPC Information Manual, FPPC Form 501 and accompanying instruction sheets, and any other campaign disclosure information or instructions provided by the FPPC. Other applicable forms such as FPPC Form 410 (Statement of Organization), FPPC Form 460 (long form with schedules) and FPPC Form 470 (short form for candidates receiving and/or spending under $1,000) will be provided to candidates individually based upon their anticipated level of campaign activity.

Questions Regarding the Political Reform Act
Anyone with questions about specific campaign finance activities should contact the FPPC’s Technical Assistance and Analysis Division in Sacramento at (916) 322-5660 or toll free at (866) 275-3772. Below is a brief description of each form. All forms are located at http://www.fppc.ca.gov

Truth in Endorsements Law
Elections Code §20000 et seq. provides additional information regarding restrictions on endorsements, representation requirements, etc. A copy of the code is available for viewing at Voter Registration and Elections, or a copy of the applicable pages may be purchased for the standard copy fee. This code section is also available on the Secretary of State’s website: www.ss.ca.gov

Campaign Literature Containing Polling Place of Voter
Candidates are requested not to distribute or mail campaign literature telling voters where their polling places are located. In the past, candidates have mailed, or had distributed campaign literature telling voters to go to the incorrect polling place. It is not only confusing to voters, but invariably some polling place changes occur in the last few days before an election. Voters become very irritated when they receive incorrect polling place information from a candidate and/or a committee. This could result in the voters having a negative reaction to the candidate or to a measure. You can understand the problems this causes for you, the voters and the staff of Voter Registration and Elections.
State of California Section 5405.3 of the State Outdoor Advertising Act

VOTES NEEDED FOR ELECTION

City Offices
Please contact the office of the City Clerk.

Schools and Special Districts
If there is only 1 person to be elected to an office, the candidate receiving the highest number of votes cast for the candidates for that office shall be declared elected.

If there are 2 or more persons to be elected to an office, those candidates equal in number to the number to be elected who receive the highest number of votes for that office shall be declared elected.

State Measures
If a measure receives a majority of affirmative votes on all of the ballots cast for that proposition, it is deemed approved by the voters. An initiative measure approved by a majority vote takes effect the day after the election unless the measure provides otherwise. If provisions of 2 or more measures approved at the same election conflict, the measure receiving the highest number of affirmative votes shall prevail.

The legislature may amend or repeal initiative statutes by another statute that becomes effective only when approved by the electors unless the initiative statute permits amendment or repeal without their approval. (California Constitution, Article II, §10)

County or Local Measures
If a majority of the voters voting on a proposed ordinance vote in its favor, the ordinance shall become a valid and binding ordinance. The ordinance shall be considered as adopted upon the date the vote is declared by the governing body, and shall go into effect 10 days after that date. (EC §§9122, 9320)

County Charter Amendment
If the majority of electors voting, at a general or special election, vote in favor of the proposed amendment or amendments or in favor of charter repeal, the amendment or amendments or charter repeal shall be deemed to be ratified but shall not take effect until accepted and filed by the Secretary of State pursuant to the provisions of Government Code §23724.

Bond Measures or Imposition of Special Taxes
Cities, counties and special districts, by a two-thirds vote of the qualified electors voting on that measure may impose certain special taxes on such district. (California Constitution, Article XIII A, §4)

Extension or increase in any special tax requires approval by two-thirds vote of the qualified electors voting on that measure. (California Constitution, Article XIII C, §2(d))

Official Canvass of Returns
After votes have been counted on election night, an audit process called an official canvass is conducted, commencing not later than the Thursday following the election, whereby the returns, logs and rosters from all the precincts are examined in detail, and ballots ordered, issued, and unvoted, as well as votes cast, are reconciled. The official canvass is open to the public for viewing. Additionally, before final results are computed, a manual recount is conducted of 1% of the precincts (chosen at random), and also of one additional precinct for each race not included in the 1%. (EC §§15301-15376)
Right to Recount
Following the completion of the official canvass, any voter may, within 5 days thereafter, file with the Registrar of Voters a written request for a recount of the votes cast. The request shall specify on behalf of which candidate or position on a measure (affirmative or negative) it is filed. If the particular election is conducted in more than one county, the request for the recount may be filed with the elections official of, and the recount conducted within, any or all of the affected counties. Requests for recounts for statewide offices and measures are filed with the Secretary of State. (EC §§15620-15621)

Any voter requesting a recount is required to deposit the costs for recount each day before the counting board commences to function. The request may specify the order in which the precincts shall be counted, and the recount shall be conducted publicly.

If the recount reverses the results of the official canvass, all deposits shall be returned. If the results are not reversed, the requester shall be entitled to a return of funds in excess of the actual costs of conducting the recount. (EC §§15620, 15621, 15624, 15627)

Elections Code §15640 addresses court ordered recounts, grounds and probable cause, etc.

ELECTION NIGHT ACTIVITIES

In addition to local television and radio reports, cumulative election results will be available to candidates and the public by telephone and on the Internet at www.elections.saccounty.net or (916) 875-6451.

The polls are officially closed at 8:00 p.m. Election activities then change from what was primarily voter participation at the polls to precinct officials completing necessary procedures, forms and delivering voted ballots and supplies to the Ballot Receiving Centers. Certain check-in and processing procedures then take place. Next, the voted ballots are delivered to the Counting Center where the votes are tallied.

The Vote by Mail vote will be reported first, shortly after the close of the polls. On rare occasions, the government may extend the voting period after 8:00 p.m. and results may be delayed. If this occurs, a notice will be posted to Voter Registration and Elections website providing details of the government’s actions.

POST ELECTION NIGHT

Election canvass activities begin the day after the election at Voter Registration and Elections, 7000 65th Street, Suite A, Sacramento. During the canvass, a complete audit of all returns will be accomplished, as well as processing and counting of Vote by Mail ballots voted and/or received on election day. Additionally, any provisional ballots and ballots cast for qualified write-in candidates, will be processed during the canvass.

Election code requires the canvass to be completed by 28 days following the election.
FREQUENTLY ASKED QUESTIONS

1. **Is there a filing fee involved in my candidacy?**
   Election law does not require a filing fee for SMUD director, special district director, or community college and school district governing board member. The cities of Citrus Heights, Elk Grove, Folsom, Galt, Isleton, and Rancho Cordova however, pursuant to Elections Code §10228 each require a $25.00 nonrefundable filing fee, to be paid at the time of filing nomination papers.

2. **Is your office open during the lunch hour?**
   Yes. Office hours are 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding county holidays, and we do remain open continuously during those hours.

3. **What happens if I am the only candidate to file for an office?**
   In most cases if there is only one qualified candidate for a position, that person will be appointed (you shall qualify and take office and serve exactly as if elected at the General Election), unless a petition calling for an election is filed. The petition needs to be signed by 10% of the voters or 50 voters whichever is the smaller number, in that district or division. The petition must be filed by 5:00 p.m. on the 83rd day (August 13, 2014) prior to the General Election with the elections official. (EC §10515)

   **NOTE:**
   * The name of a SMUD candidate, even if unopposed, is required to appear on the ballot.
   * An unopposed candidate for a city position may be appointed; or, the City Council may determine that the election shall be held. (EC §10229)

4. **What if I change my mind about being a candidate after filing nomination papers?**
   You may withdraw as a candidate at any time prior to the close of the nomination period, which is August 8, 2014. After that date you are not permitted to officially withdraw and your name will appear on the ballot. (EC §10510) Candidates for the position of Trustee, American River Flood Control District must file with their nomination petition, a statement under oath setting forth their name, address, that they are a registered voter within the district and they will not withdraw their name before the election. (California Water Code-American River Flood Control District Act 320 §6)

5. **What happens if some of the signatures on my nomination petitions are from individuals who are not registered voters or who do not live within the jurisdiction I seek to represent?**
   These signatures would not be valid. Signatures must be obtained from registered voters and the voters must be registered in the jurisdiction the candidate is seeking to represent.

5a. **Can I submit additional signatures?**
   Yes, up to the deadline of nomination filing.

6. **How soon will a list of qualified candidates be available after the close of the nomination period?**
   The nomination period for the General Election ends August 8, 2014 and, in most circumstances, the nomination period will be extended until August 13, 2014 if an incumbent does not file. Please contact the office of the Registrar of Voters two weeks after the close of the nomination period for a list of qualified candidates.
7. **May I change or correct the wording or spelling on my candidate’s statement after it has been filed?**

No, you may not make any changes to your candidate’s statement once it has been filed. Check your candidate’s statement carefully before filing. No responsibility or liability is assumed by the elections official for errors in spelling, punctuation, grammar, etc. The statement is entirely the candidate’s responsibility.

8. **If I file an optional candidate’s statement, may I withdraw the statement?**

The candidate’s statement may be withdrawn, but not changed in any way, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period (*August 11, 2014*). A new statement cannot be filed. (EC 13307(3))

9. **May nomination papers be issued to someone else on my behalf?**

Yes, a candidate may, in a written statement signed and dated by the candidate, designate a specific person to receive a declaration of candidacy form (and other required nomination papers) from the elections official and deliver it to the candidate. This statement must contain the candidate’s name, current residence address, and the office he or she is seeking. The statement shall include language indicating that the candidate is aware that the declaration of candidacy must be properly executed and delivered to the election official of the county of the candidate’s residence by the 88th day (*August 8, 2014*) prior to the General Election. The statement shall be retained by the election official. (EC §8028)

10. **I am a government employee. May I be a candidate for public office?**

If you are a government employee subject to the provisions of the Hatch Act, you may be a candidate for public office in a nonpartisan election. You may not be a candidate for public office in a partisan election. If you are unsure if you are subject to the provisions of the Hatch Act, you should contact your employer.

11. **May someone else file my nomination papers, or can I mail them to you?**

Election law does not specifically prohibit another person from filing nomination papers for a candidate. It is not recommended that nomination papers be mailed back. If mailed back, nomination papers must be received in our office by 5:00 p.m. on the close of the nomination period, regardless of the postmark. However, candidates are urged to file in person. The reasons are twofold:

A. The oath or affirmation, which is a part of the declaration of candidacy form, must be administered by a member of the Registrar of Voters’ staff or a notary public. It is much easier for a candidate to file in person and have the oath administered at the time he or she files; and,

B. The signature of the candidate (*as well as other data*) is required on many documents involved in the nomination process. If through an oversight the nomination papers are incomplete, the problem can easily be rectified when a candidate files in person. Any corrections to a candidate’s statement (*for example, words removed in excess of allowed amount*) must be initialed by the candidate.
12. **I am unable to complete and file my campaign disclosure statement by the filing deadline. May I obtain an extension?**

No. There is no provision in the Political Reform Act that permits any filing officer to extend a filing deadline. Statements that are filed late are subject to a fine of $10.00 per day until the statement is filed.

13. **What determines the order in which my name and other candidates’ names will appear on the ballot?**

Randomized alphabet drawings for the Election are conducted by the Secretary of State and the Registrar of Voters. Refer to page 46.

14. **Can I file for two offices in the same election?**

Sacramento County Elections allows all candidates to be issued nomination paperwork for more than one office, but you may only file for one office at the same election. By signing a declaration of Candidacy you are swearing if elected, you’d serve on that board. Sacramento County Elections will not accept paperwork for two or more offices by one candidate at the same election.

**Election Code 18203**

Any person who files or submits for filing a nomination paper or declaration of candidacy knowing that it or any part of it has been made falsely is punishable by a fine not exceeding one thousand dollars ($1,000) or by imprisonment in the state prison for 16 months or two or three years or by both the fine and imprisonment.

**Election Code 10603(c)**

Notwithstanding any other provision of law, except as provided in subdivision (d), no person shall file nomination papers for more than one district office, including a county board of education office, at the same election.
REGISTRATION AND ELECTION DATA

Permissible usage includes direct election campaigning, surveys in conjunction with an election campaign and distribution of information of a political nature. As a candidate you have access to voter information and data obtained from voter registration and election files which may not be sold, leased, loaned, reproduced or possession thereof relinquished without receiving written authorization to do so from the Secretary of State or the Registrar of Voters. Prohibited usage includes commercial purposes and solicitation of contributions or services for any purpose other than on behalf of a candidate or political party, or in support of or opposition to a ballot measure.

VOTE BY MAIL VOTER INFORMATION
AVAILABLE FOR PURCHASE

Candidates and political campaigns frequently utilize the Vote by Mail voter information in their “get out the vote” campaigns. The regular Vote by Mail period *(Vote by Mail ballots are mailed upon receipt of written request from the voter)* is 29 calendar days before the election. The last day to request a Vote by Mail ballot to be mailed to the voter is 7 calendar days before the election.

**Vote by Mail Voter List**

A Vote by Mail report is prepared each weekday starting on the 29th day before the election. This report is an alphabetical listing of all the Vote by Mail applications processed the previous day. The report also shows residence and mailing address, political party, date application received, date ballot mailed, voting precinct and Vote by Mail precincts.

**All transactions are nonrefundable, and there are no exchanges on ordered reports.**

Two options for obtaining the list(s) are available:

- **E29 through E0 (4 weeks) request:** $267.00 for a daily listing of Vote by Mail voter requests for the period of 29 days prior to the election through election day. An application needs to be completed and approved, and prepaid.

- **E29 through +E28 (8 weeks) request:** $468.00 for a daily listing of Vote by Mail voter requests for the period of 29 days prior to the election through 28 days immediately following the election. An application needs to be completed and approved, and prepaid.

The Vote by Mail list is then picked up daily by the campaign, or it may be emailed to them.
DISTRIBUTION POLICY OF VOTE BY MAIL APPLICATIONS
BY CANDIDATES OR CAMPAIGN ORGANIZATIONS

The following policy is applicable to any individual or group distributing applications for Vote by Mail ballots in Sacramento County:

1. Any person, including candidates and members of campaign organizations, can distribute applications for the Vote by Mail ballots as long as the application meets the requirements of Elections Code §§3006, 3007 and 3008 as to its contents. The name, address and telephone number of any organization that authorizes the distribution of the applications shall be included on the application.

Upon request, Voter Registration and Elections will provide a camera-ready proof of an application. Application formats are also available from the Elections Division of the office of the Secretary of State. The application contains all information required by law. The form is approximately 8½ x 5½ inches, which is within the size range for standard first class postage.

Although the Elections Code does not address the size of applications, Secretary of State guidelines state that the size must be 8½ x 5½ inches, with type size no smaller than six (6) point. Election officials are required by law to indicate certain information on each application when a ballot is issued; applications smaller than 8½ x 5½ inches do not provide sufficient space for this information.

2. Voters issued ballots between the 29th day and the 8th day before the election can return their ballot through the mail, in person to the Elections Office, or on Election Day to any polling place within Sacramento County. A Vote by Mail voter who is unable to return the ballot due to illness or physical disability may designate his or her spouse, child, parent, grandparent, grandchild, brother, sister or a person residing in the same household as the Vote by Mail voter, to return their ballot for them. (EC §3017)

3. Beginning the 7th day before the election, Vote by Mail ballots can only be issued in the Elections Office. If the voter is unable to come into the office to pick up their Vote by Mail ballot they may authorize someone else to do so. The authorized person needs the voter’s completed application plus a statement, signed by the voter, designating the authorized representative by name. (EC §3021) Ballots issued during the last 7 days before the election cannot be returned through the mail. Either the voter or the authorized representative named on the return ballot envelope can return the ballot to the Elections Office, or on election day to any polling place within the county. These policies are consistent with Attorney General Opinion No. 79-515 dated August 22, 1979.

For further information regarding the Vote by Mail application provisions and forms, please call the Vote By Mail Division at (916) 875-6155.
